

The Villages Women's 18 Hole Golf Association

Supply Cage & Equipment Guidelines

We have a glorious supply of wonderful decorations, office supplies and a bit of paper products for parties. Event organizers are encouraged to visit the cage to see what can be reused and recycled before buying new items. Generally the equipment in this cage are for the use of our members at 18-Hole Women's events but we are glad to loan items to other golf groups. Please contact the Cage Assistant.*

We strive to store sturdy, neutral items that can be used for a multiple of themes and events. We also store items in groups of 12-20 since most events require 12-20 tables, 18 tee boxes, etc.

All items MUST be stored in plastic bins and off the floor. The only exceptions are the M & M signs and metal/pvc items not harmed by water or condensation. Flooding happens! Dusty items have no value. Please return items clean & organized in bins. NO food or beverages stored here. Mice are regular visitors.

Please contact the Cage Assistant when you want to leave something new, loan items to other groups or when breakage/loss occurs. Keeping this area clean and useful is a challenge and we appreciate your help.

18 Hole Themes – Certainly not everything but a general idea

Circus	Halloween	Cowboy/Western
St Patricks	M & M	Sunflowers
International	Easter	Tropical Leaves and Birds
Megaphones	Sombreros	Ceramic Fish and Palm Tree figurines
Christmas trees	Vases	Paper Plates
Office supplies, clipboards		Mini golf carts (use with care!)
